

MEADOW HEROES - TOGETHER FOR (BIO)DIVERSITY

Short-term volunteering project for young people from Italy, Bulgaria, Greece and Germany

20 July - 4 August 2026, Jugendakademie Walberberg
(located between Cologne and Bonn)

What to expect:

- **Creative, hands-on & gardening projects in an orchard**, for example harvesting fruit, building nesting aids for bees and insects, creating art from natural materials or designing a pond together.
- **Meet young people from different countries** and have the chance to make international friendships.
- **Workshops** on exciting topics like climate change and solidarity.
- **Shared time at the Jugendakademie** with lots of leisure activities, good food, and (if you want to) a day at our high ropes course.
- **Group trips to Cologne or Bonn.**

Are you between 18 and 27 years old?
Do you want to meet young people from different countries?

Do you enjoy creative & hands-on work?
